

## L'ORIENT WINE

The Shirayuri Distillery, located in the city of Katsunuma, Yamanashi Prefecture, was founded in 1939. It is an exciting family winery currently led by Takao Uchida, the third generation. "L'ORIENT" is a French word that means "oriental." The name was chosen with the aim of producing wine of a high caliber comparable to that of Europe. Because the winemaking process is straightforward, the quality of the grapes used as raw material is crucial. The company takes care of everything, from cultivating the grape, which is the raw material, to the wine production.
